SPECIAL NOTES FOR BUILD:

**Upon the receipt of a harness, Diesel Conversion Specialists will examine it for damages. If repairs need to be made to stock harness we will call you with an estimate before performing any services. When services are complete, a Sales Tech will call you for payment Information. Please allow 14 to 21 days for completion of services. Harnesses will be shipped Via signature required Insured FedEx Ground. If you would like expedited shipping, please let your Sales Tech know when making payment. Any customers shipping their wiring to us across international borders must mark the package as "For Repairs" to avoid any entry fees, taxes or Brokerage Fees. The Customer will be responsible for any fees associated with international transportation.*

**By signing this form, you acknowledge that you understand the Diesel Conversion Specialists' wire harness modification Policy, and you are authorizing Diesel Conversion Specialists to modify included harness.*
